<u>Property</u>	<u>Method</u>	<u>Min/Max Limit</u>	<u>Result</u>
Keep in cool (preferably below 25oC) storage away from light and moisture in unopened container. Product becomes liquid above 36o C, but will re-solidify upon cooling without affecting functionality.			

The water content of Aloe Butter is below the required level to support the growth of micro organisms. Therefore, the microbiological tests are deemed not applicable.

The following specifications are tested periodically and are certified to comply to the following limits:

Unsaponifiabiles - 1.5% Max  
Saponification Value - 220 - 260
