## HMIS Hazard Rating

<b>Health</b>	1	<b>Hazard Rating</b>
<b>Fire</b>	1	0 = Least
<b>Reactivity</b>	1	1 = Slight
<b>Personal Protection</b>	B	2 = Moderate
		3 = High
		4 = Extreme

## Section 1. Product Data

<b>Product Name</b>	Red Velvet Cake
<b>Personal Care Approved</b>	Yes
<b>Product Type</b>	Fragrance Compound (Mixture)
<b>Product Appearance and Odor</b>	Clear Liquid with Characteristic Odor

## Section 2. Physical/Chemical Data

<b>Specific Gravity</b>	1.030-1.070 @ 25 Degrees C
<b>Water Solubility</b>	Insoluble
<b>Form</b>	Clear Liquid

## Section 3. Health Hazard Data

**Ingredient(s) Posing Health Hazard:** The identity of the components of this mixture is proprietary information and is regarded to be a trade secret, in accordance with the provisions of paragraph 1910.1200 of Title 29 of the Code of Federal Regulations. However, based on health hazard determination of contained ingredients present at a concentration greater than one percent, this mixture presents the following health hazards:

<b>Possible Routes of Entry</b>	Skin contact, eye contact, inhalation, ingestion
<b>Effects of Exposure</b>	May be irritating to skin, eyes, and respiratory system

## Section 4. First Aid Procedures

<b>Skin Contact</b>	Remove any contaminated clothing. Wash affected areas thoroughly with soap and water. If irritation persists, contact a physician.
<b>Eye Contact</b>	Flush immediately with clean water for 15 minutes. Contact a physician if irritation persists.
<b>Inhalation</b>	Remove from the exposure to fresh air.
<b>Ingestion</b>	Give water or milk to dilute, contact a physician immediately.

## Section 5. Explosion, Fire, and Reactivity Data

<b>Flash Point</b>	212+
<b>Extinguishing Media</b>	Foam, Dry Chemical, or Carbon Dioxide
<b>Stability</b>	Product is stable under normal conditions and use. Hazardous polymerization will not occur.
<b>Conditions / Materials to Avoid</b>	Heat, sparks, or flame. Strong oxidizing agents.
<b>Special Handling / Hazardous Combustion Products</b>	Self contained breathing apparatus should be worn while fighting fires involving chemicals. Burning releases Carbon Monoxide, Carbon Dioxide, and other organic components.

**Unusual Fire and Explosion Hazards**      Vapors in empty containers can be dangerous, they should be rinsed and disposed of properly. Soaked rags or paper may pose a combustion hazard in trash recepticals.

## **Section 6. Spills, Clean-up, and Storage Procedures**

**Spills and Clean-up**      Eliminate all ignition sources. Absorb liquid on suitable absorbent material. Place material into a suitable container and dispose of in accordance with local regulations.

**Storage Procedure**      Store in a cool, dry, well ventilated area. Keep containers tightly closed and in upright position.

## **Section 7. Personal Protection**

**Respiratory Protection**      None generally required. If desired, wear NIOSH approved respirator.

**Ventilation**      General ventilation is adequate. Use exhaust fan if desired.

**Protective Gloves**      Use chemical resistant gloves as needed to avoid prolonged or repeated contact.

**Eye Protection**      Splash resistant safety goggles are recommended.

## **Disclaimer**

The information and recommendations contained in this data sheet represent, to the best of Saffire Blue Inc. knowledge and belief, an accurate and reliable representation as the known data for this material. Since the conditions for use, handling, storage and disposal of this product are beyond Saffire Blue Inc. control, it is the user's responsibility both to determine safe conditions for use of this product and to assume liability for loss, injury, damage or expense arising out of the product's improper use. No warranty, expressed or implied, regarding the product described herein shall be created by or inferred from any statement or omission in this MSDS. Various government agencies (e.g. DOT, EPA, FDA) may have specific regulations concerning the transportation, handling, storage, use or disposal of this product, which may not be reflected in this MSDS. The user should review these regulations to ensure full compliance.
